

Food Safety Policy

ANGEL FOODS PC

ANGEL FOODS PC is a dynamic, family-owned company based in Gerakas, Attica, specializing in the distribution of authentic Greek packaged foods of superior quality.

Our philosophy is built on safeguarding food safety and quality, while fostering the trust of our customers and partners in Greece and abroad.

The Management of ANGEL FOODS is fully committed to the implementation and continuous improvement of its Food Safety Management System, in accordance with the international standard ISO 22000:2018.

Our Commitments

1. Compliance with Legislation and International Standards

We strictly adhere to all national and European legislative requirements, as well as food safety regulations, while aligning with globally recognized best practices.

2. Product Safety and Quality

We ensure that all our products meet the highest standards of safety, quality, and authenticity, thereby strengthening the confidence of our customers and partners.

3. Reliable Supply Chain

We work exclusively with certified and trustworthy suppliers who apply internationally recognized quality and food safety management systems (ISO 22000, FSSC, IFS, BRC).

4. Traceability and Transparency

We maintain full traceability across all our products, ensuring immediate identification and recall if necessary, with transparency and consumer protection as guiding principles.

5. Prevention of Food Fraud and Food Defense

We adopt preventive measures to safeguard against deliberate adulteration or malicious actions that could compromise product integrity and consumer safety.

6. Risk and Opportunity Management

We continuously assess risks and identify opportunities that enhance our competitiveness, sustainability, and resilience. This includes addressing the impacts of climate change, such as floods and wildfires, that affect the supply chain.

7. Employee Training and Engagement

We invest in the empowerment and ongoing training of our employees, ensuring they fully understand their responsibilities and actively contribute to food safety.

8. Continuous Improvement

We set measurable objectives, monitor progress, and consistently upgrade our Food Safety Management System to achieve excellence and enhance customer satisfaction.

Management Commitment

The Management of ANGEL FOODS PC is committed to providing the necessary resources and actively supporting all initiatives related to food safety.

This Policy is communicated to all employees and partners, is available to customers, and is published through our official website.
