

## QUALITY AND FOOD SAFETY POLICY

The Management of ANGEL FOODS P.C.:

- The company ensures the highest level of standards in terms of quality and safety for its products, in compliance with the national and EU legislation and additional guidelines, concerning food industry.
- The company's suppliers comply and follow valid Quality, Safety and Allergen Ingredients Handling System.
- The company commits in the continuous improvement of the products, ensuring a steady production of safe and high-quality products.

We achieve the above principals through:

- The continuous training of the staff to ensure that everyone understands, knows, and supports the policy of the company.
- Continuous communication with the clients, taking into consideration their opinion regarding the quality of the products.
- Monitors and controls its activities by establishing measurable goals.
- Reviewing and analyzing the generated data to improve the effectiveness of the Quality Management System and the final satisfaction of the customer.
- The staff of the company is aware of the Food Quality and Safety Policy and is obliged to contribute to its implementation.
- The Company's Management is committed to support the implementation of the Policy.
- Continuous enhancing of the company's awareness following the general culture of Food Safety.
